Nation’s leading network of Camps & Mentoring Clubs for children in the foster care system

Houghton RFKC has been “**Making Moments Matter**” for 52 boys and girls ages 6 – 12 with substantiated personal histories of neglect and abuse in Allegany and area counties since 1995!

Outcomes and Benefits

Children: Provides life changing moments where kids can just be kids. Shows a picture of family life for those who haven’t experienced it. Replaces missing elements in their lives (i.e. attention, affirmation, happiness, positive memories, “basics” such as emotional connectedness).

Community: Brings the church and state together for a noble cause. Community sees the church in a new light, as a giver and a servant. Gives care-givers a respite break

Church: Gets people involved -“out of the pew and involved.” Builds faith in the members involved. Expands the church into the community and creates a bond of shared Christ-driven purpose.

Contact nancy.murphy@houghton.edu or (585) 376-4053. Complete the RFKC application & 3 letters of reference, interview, train and serve!

On 7/5-7/10 take a one-week vacation from yourself to give 52 children the time of their lives.

Reasons for Going into Foster Care

David Carry in his November 30, 2017 article; “More Kids in Foster Care; Parental Drug Abuse a Factor”, the number of children in the U.S. foster care system has increased for the fourth year in a row, with substance abuse by parents a major factor. According to Carry the number of children placed in foster care dropped steadily from 2002 to 2012 before rising again as the opioid epidemic and other drug abuse began to worsen. The U.S. Department of Health and Human services said that drug abuse was a factor in 34% of the cases in which a child was removed from the home! While child neglect was the primary reason for foster placement, physical and sexual abuse were other primary causative factors leading to placement.
